3. Total Communication Charter

Claire and Annie have made amendments.

Audit tool – adapt to be in line with ours,

Launch on day so services can sign up to it.

- Email from Southdowns
- want to use our charter 'pre launch' on 2nd March in their training session.
- Logo – Lucy has produced 2, however, due to illness decision to be made email
Designs to all/email choice within 24 hours. We make final decision.
- Copywriting – unfortunately we can't encrypt or protect

Business

Karen - Partnership Community Safety Team produced Hate Incident Reporting form 'Easy Read' style. Karen to email round to group. Give feedback directly to Partnership Team. *Have an example on the launch day to demonstrate 'Easy Read'. A display showing this .*

Karen to speak to Nahidah and put in touch with Lucy.

Claire – asked all subgroups chairs for funding.
No budget for resources – need to develop as not a 'one off' event. Should hear back by March → some money has been promised.

Peter Craske – can include flier in Development Guide sent to in-house services and voluntary sector at end of February.

Forward file to him.

Miranda – Communication Group Meetings negotiated (CYPT)
(Transition periods) – eg VOCAS consistent from child-adult.
Person from Hillside to attend this group to share information/resources.

Update: 'Aiming High' – funding from Government for short break services.

Consulting with young people about short break services they are receiving.
Booklet insert including Widget!

- Produces reports
- Complaints leaflets
- VOCAS – transition funding

- Virtual learning in schools – transferring system to Learning Disabled children – special computers.
- How young people contribute in meetings, participation.
- Make a connection between adult and CYPT services.

Discussion

Photosymbols – consistency in information to be filtered out through services – some already using it – for 'Easy Read' information.

However, we should support service users preference eg Makaton for individual communication needs.

- using personal photos
- boardmaker
- Google images

Transition events – services working together.

Training – linking services so not repeating information.

Audit – discuss next meeting.

Michael to share with Annie and Mary.

3 strands –

- 1 Auditor – accessibility of information. Staff training. Percentage rating.
2. Communication Champion
 - attend workshops – Communication Passports, social stories, Objects of Reference.
 - promotes culture at service
 - support from manager
3. (High and Low tech) Technical equipment – services can loan out to see if it's effective – then organise own.
 - Compare percentage ratings – competitive.
 - Total Communication 'Certificates' 'Awards'
 - 'Critical friends' go into services to do the audit but should be encouragement not stressful.

Lucy – training and events – display on day

Graphic facilitation meeting – drawing, split up page/boards – illustrate time.

Next meetings:

Event Planning Work Streams – 25th February at 11.00 am

Communication Advisory Group – 2nd March at 2.00 pm

Let Lucy know if people you specifically want to invite.
