### Shopping List

	5 tablespoons vegetable oil
	1 teaspoon vanilla
	Icing sugar for the top

## What to do

Preheat the oven to 180C

1		<p>Put 12 paper muffin cases in a muffin tin.</p>
		<p>Sift the cocoa powder, flour and baking powder into a bowl.</p>
2		<p>Mix in the sugar, and set aside.</p>

3		Finely grate the beetroot and put it in another bowl
4		Add the eggs, one at a time,
		Add the vanilla and oil and mix till it's smooth.
		Mix the stuff in the two bowls together

		<p>Pour into the muffin cases.</p>
		<p>Bake for 30 minutes or until if you stick a knife in the middle it comes out clean</p>
		<p>Cool on a wire rack.</p>
		<p>When they are cool sieve some icing sugar over the top</p>
