## Frequently Asked questions

- **How will the changes affect me?**

The changes will affect people at different times. We will write to people who are already claiming Housing Benefit, before any changes happen, to show how their Housing Benefit will be affected. If you would like more information about changes that may affect you, please contact us: <http://www.brighton-hove.gov.uk/index.cfm?request=c1000952>

- **What do I need to do?**

You do not need to do anything at the moment. If you receive a letter from the Benefits Service about changes to your Housing Benefit, and do not understand the information, please contact us:  
<http://www.brighton-hove.gov.uk/index.cfm?request=c1000952>

- **What help can I get if my benefit goes down?**

If you are struggling to pay your rent or council tax, you can apply for a Discretionary Housing Payment (DHP). The application form can be downloaded here <http://www.brighton-hove.gov.uk/index.cfm?request=c1112462>

**Please note that the DHP fund is cash-limited and we may not be able to help everyone who applies.**

- **What does the 30<sup>th</sup> percentile rent mean?**

At the moment Local Housing Allowance (LHA) rates are calculated using the median (mid point, or 50<sup>th</sup> percentile) of a range of rents for different property sizes. The range of rents used is based upon information obtained by the Rent Service (part of the Valuation Office Agency, or VOA). Each month the VOA gather evidence of rents being charged to people not receiving Local Housing Allowance. They use this information to work out what is the mid point of rents being charged. This rate then becomes the LHA rate for that month. From April The VOA will continue to gather market evidence but they will set the LHA rates at the 30<sup>th</sup> percentile. An example of how this is calculated below:

### **1 bedroom LHA rate example only**

<b>Lowest rent for a 1 bed property</b>		<b>30<sup>th</sup> percentile</b>		<b>Mid point 50<sup>th</sup> percentile (median)</b>					<b>Highest Rent for a one bed property</b>
<b>£121</b>	<b>£131</b>	<b>£145</b>	<b>£147</b>	<b>£150</b>	<b>£155</b>	<b>£164</b>	<b>£177</b>	<b>£190</b>	

Until April 2011 the median rent will be used to set the LHA rates.

From April 2011 the 30<sup>th</sup> percentile rent will be used to set the LHA rates, but people already claiming LHA will have transitional protection for up to 9 months.

The VOA are publishing mid point & 30<sup>th</sup> percentile rents on their website.

## Housing Benefit changes April 2011

- **I have a carer who looks after me overnight, how do the changes affect me?**

From 1<sup>st</sup> April 2011, if you live in the private rented sector and have a non-resident carer, you may be able to get a property with an extra bedroom for them to use overnight. If you think this change might apply to you, please contact us.

If you already live in a property with an extra bedroom for a non-resident carer, and your Local Housing Allowance does not cover your rent, please contact us.

For further details please see below.

Our contact details can be found here: <http://www.brighton-hove.gov.uk/index.cfm?request=c1000952>

- **Room for carers – additional information**

The change to the HB size criteria rules (both under the LHA arrangements and the maximum rent rules) to include a bedroom that is used by a non-resident carer, or team of carers, for overnight stays will apply in the following circumstances:

- the customer is a tenant in the private rented sector
- a carer who does not live in the tenant's property stays overnight to provide care
- the overnight care is provided for the customer or partner - it will not apply to other members of the household and only one extra room is allowed
- there is a spare bedroom that is used by a carer or team of carers for overnight stays

In order to establish whether an extra bedroom can be included in the assessment Local Authorities will need to be satisfied that:

- overnight care is required
- the care is in fact provided
- they have a bedroom available for the carer's use

### **How the change will be applied**

The change will apply to all HB customers who satisfy the qualifying criteria from 1 April 2011. For existing customers there is no time limit on the period for which arrears can be awarded provided that the qualifying conditions are met, but the changes are not retrospective so cannot be applied before 1 April 2011. This means that customers who are in receipt of benefit as of 1 April 2011 and who are subsequently identified as being entitled to the extra room rate for an overnight carer, will be entitled to arrears from that date even if their award is not revised or superseded until a later date.

## Housing Benefit changes April 2011

For existing claims, the application of this change will trigger a new rent officer referral or a new maximum rent (LHA) determination. This will set a new anniversary date for cases assessed under the LHA arrangements or the annual rent officer referral date for pre-April 2008 claims.

- **What are the new non-dependant rate deductions?**

### Housing Benefit (HB)

Deductions are made from your HB for non-dependants aged over 18 who normally live with you. There are six levels of deduction. If the non-dependant is working less than 16 hours a week, the lowest deduction will apply. If the non-dependant is doing paid work for 16 hours or more a week, the level of deduction will depend on the non-dependant's gross income.
