March 2012

National Update

Death by indifference : progress
report 5 years on – Jan 2012

CQC Health care in care homes –
Match 2012

Integration of health and social care
commissioning

Local clinical commissioning group

Commissioning update

Fees

- No automatic uplift for LD services in 2012/13
- Fees to remain at currently agreed level unless renegotiated
- Negotiations on fees could go up or down

Day service review

- Work on the Day Services commissioning plan - commence April 2012
- 3 month consultation with a wide group of stakeholders aim to commence June/July
- Commissioning Plan finalised Autumn 2012

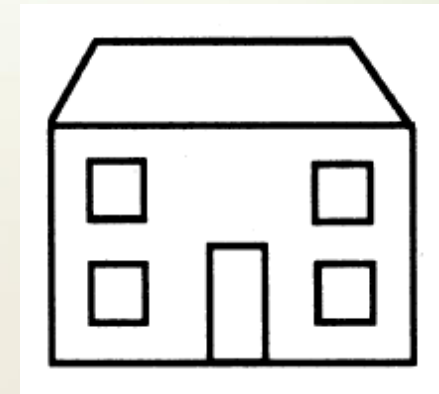

Accommodation

Supported living

- Formalise current arrangements
- Work with existing providers to clarify expectations
- Aim to create a pathway through services and consistency of approach
- Mapping out life skills training available
- Links to work to reduce ordinary residence risks

Residential care

- Reviewing service specification
- Provision of day activity linked to accommodation services will be dependent on promoting independence

Local update

Telecare

- Aim to increase the use of personalised technology across social care groups
- Key part in assessments and reviews

Prospectus

- Establishing framework to commission a range of services through outcomes
- Community and voluntary sector type services but not exclusively
- To take effect from 2013/14
