for disabled young people

Transition Development Plan

This is an action plan to be agreed by local area with supporting agency to make the most of the support available through the Transition Support Programme.

Local Area: Brighton & Hove	Supporting agency: CHaMP	Date: 25/03/10
----------------------------------------	---------------------------------	---------------------------

Priority Issues from Self Assessment Questionnaire

Key priorities for April 2010-March 2011 are:

- Implement recommendations from quality audit of transition planning in schools;
- Mapping of health transitions for young people in Brighton and Hove;
- Deliver training on employment opportunities for young disabled people to staff in children's services;

Brighton and Hove have developed a detailed action plan for delivery over the next year which is worked to and reviewed by the Transition Forum.

Priorities for action

- To develop actions points following recommendations from the quality audit of planning in schools.
- To complete mapping of health transitions from children to adult services.
- To develop and deliver training to children's services staff on employment opportunities for young people with disabilities.

The Council for Disabled Children and partners working as the national transition support team for the AHDC Transition Support Programme

The national transition support team is a programme of the Council for Disabled Children, which is hosted by the National Children's Bureau. Registered Charity No 258852. Registered in England and Wales No 952717. Registered office: 8 Wakley Street London EC1V 7QE. A Company Limited by Guarantee.
